

The Delta Kappa Gamma Society International
Chi State Educational Law/Policy Committee

DATE: July 2014
TO: Chapter Presidents, Area Legislative Chairmen,
Chapter Legislative Representatives
FROM: Olithia O'Toole, Educational Law/Policy Committee (ELP)
SUBJECT: Adopt-a-Legislator Program

The goal of the Adopt-a-Legislator Program is to establish rapport and direct communication with a California State Assembly or Senate member. Legislators making decisions affecting education and women educators can receive valuable input from Chi State members through the exchange of professional information and ideas. This participation increases members' awareness of important issues affecting the social, economic, academic, and political life of our communities.

The procedure for "adoption":

Each Chapter selects an Assembly and/or Senate member(s) from its Area for "adoption." The Chapter Legislative Representative, along with other interested members, maintains communication with the legislator(s).

Contact legislators through letters, e-mails, telephone calls, postcards, faxes, office visits, attendance at legislator community events, and invitations to attend or speak at Chapter meetings.

Chapter registers Adopted Legislator with Area and Chi State:

Chapter _____ Area _____

Chapter President _____ E-mail _____

Chapter Legislative Representative _____

Chapter Legislative Representative E-mail _____

Address _____ City _____ Zip _____

LEGISLATOR(S) SELECTED

Senator _____ District _____

Assembly Member _____ District _____

Chapter sends electronically to both:

1. Area Legislative Chairman (see Chi State Directory)
2. Educational Law/Policy (ELP) Committee
