EEC Focus: Empowering Women

Title: Sustaining Pride in the Big Picture – A Reorientation Guide for All DKG Members

Program Purposes: The PowerPoint presentation, Sustaining Pride in the Big Picture – A Reorientation Guide for All DKG Members was used to introduce and review the purposes of the Society including the structure, the Founders, the history and insignia of the organization, and projects and activities encouraged by the Society.

Program Summary: The presentation was given in small increments over time to review the purposes of the Society.

Program Set-up and Plan: During the President's portion of the monthly chapter meeting, the President introduced a particular part of the presentation. For instance, in meeting #1, we reviewed and discussed the Honor of Membership, Mission, and Vision of the Society. In the second meeting, we discussed the Seven Purposes. In subsequent meetings, the former month's topics were briefly reviewed such as the Mission and Vision statements, and another topic would be covered such as the History of DKG.

Follow-up Activity: In the following months, another slide or portion of the Reorientation Guide was presented and discussed until all the topics had been covered.

Materials Needed: Sustaining Pride in the Big Picture – A Reorientation Guide for All DKG Members PowerPoint slide presentation available from The Delta Kappa Gamma International Society store.

7 Purposes cards purchased for each member from the DKG store.
